Military Weekend Queen, Court Chosen

Miss Cara Sue Olsen

Rev. E.F. Conlin To Preach S.S.E. Triduum

A triduum in honor of St. Edmund will begin Nov. 13.

The feast of St. Edmund falls on Nov. 16 which is traditionally observed on campus also as President's Day.

St. Michael's is honored by having a special relic and shrine in honor of St. Edmund in the chapel.

Special prayers during the three days will be said in honor of St. Edmund Rich, the 13th century Archbishop of Canterbury and patron of the Society of St. Edmund. The Edmundites conduct St. Michael's and are active in the Southern Missions.

Preacher for the Triduum will be Rev. Edward F. Conlin, S.S.E. A native of Holyoke, Mass., Fr. Conlin has served the Edmundites in several fields. After graduating from St. Michael's in 1941, he became the first graduate of the Blessed Sacrament Church in Holyoke to be ordained into the priesthood.

He has worked in missions off the Alabama Coast in the Gulf of Mexico and in missionary work from the Edmundites' southern headquarters in Selma, Ala.

Fr. Conlin has preached retreats and missions in the North and has served as a vocational director for the Society of St. Edmund. He is now assigned to the Novitiate of the Society of St. Edmund at Enders Island, Mystic, Conn.

Miss Nancy Ann Webber

After two days of voting, on October 30 and 31, the Queen of the 1962 Military Weekend has been selected.

Joe Hogan, Chairman of the Queen contest, reports that the lovely winner is Miss Mary Celine Barry, 19, from Manhattanville College, Larchmont, New York. Her escort will be Cadet 1st Lt. Gerard G. Gleckel.

The Queen's Court will be composed of:

Miss Cara Sue Olsen, 19, a Senior at Stephens College,

Columbia, Missouri. Sue's home town is Barrington, Rhode Island. She will be escorted at the weekend by Cadet 1st Lt. John G. Lawrence.

Miss Carole Semprini is the third member of the court. She is a 19 year old sophomore at Central Connecticut College, New Britain, Conn. Carole is a resident of Waterbury, Conn. She will attend the weekend with Cadet 2nd Lt. Brian J. Kelley.

A native of Essex Junction, Miss Elise Tynan, 19, works as

a secretary at IBM in Essex Junction. Cadet Major Paul A. Boucher is her escort.

Miss Nancy Ann Webber, a 19 year old sophomore at Russell Sage College, Troy, New York. Nancy lives in Poughkeepsie, New York. Cadet Lt. Colonel Bard E. O'Neill is Nancy's escort for the weekend.

Lt. Col. Michael C. Jacobs, Professor of Air Science at St. Michael's, will crown the Queen at the Formal Ball Saturday night.

Miss Mary Celine Barry

Variety Highlights Weekend

At eight o'clock Friday, the 12th annual Military Weekend, sponsored by the Arnold Air Society, will begin.

First on the agenda will be a Variety Show, beginning at 8, and ending at 1 in Alliot Hall. The Variety Show, the first of its kind at St. Michael's, is open to all students.

First on the program is a fast-rising new comedian named Dave Astor. Astor's routine is fast, funny and wonderfully entertaining.

Astor has cut a big-selling record - "Will the Real Dave Astor Please Stand Up?" It was this record that led to his engagement at St. Michael's.

A word of advice -- be sure to get to the Show on time so that you won't miss any of Dave's routine. It's well worth hearing!

JOHNNY NASH

Following Dave Astor to the Alliot Hall stage will be the famed Johnny Nash.

Johnny is famous for his versatility in song. He can sing any kind of music, and sing it well. He has received particular hurrahs for his folk, jazz and blues arrangements.

Johnny comes to St. Michael's fresh from a college tour that included Texas A & M, the University of Connecticut, and Yale. The general consensus was "He's GREAT - we have to get him back!" And go back he will, right after his appearance at St. Michael's.

Providing the musical background for Nash will be Frankie Scott and His Scottsmen.

From his years with a big band, Frankie knows just what type of music college men (and their dates!) like, and he gives it to them, with smooth arrangements of swingin' tunes. Frankie, too, has just completed a college tour, and already those colleges at which he appeared are trying to get him back.

Singing with the Scott ensemble is Jackie Billman, who provides the female touch for the evening. She is an enormously talented young lady, who sings like Lena Horne for style and Ella Fitzgerald for depth.

Frankie Scott and His Scottsmen will also play from 10 to 1 for dancing.

Saturday afternoon will feature the "Blast-Off" Twist dance, to be held from 1 to 4 in Austin Hall with the Nightriders, of course! Directed by Rick Naland,

Miss Nancy Ann Webber

they will provide three solid hours of twisting -- that's a real "Blast-Off!"

FORMAL BANQUET

Another traditional part of the Weekend will take place before the Formal Military Ball Saturday evening. This is the Officer's Banquet, to be held this year at the Hotel Vermont. The Officer's Banquet gives the members of the Advance Corps and their dates an opportunity to get better acquainted with each other and with the regular Air Force officers from the department of Air Science on campus.

Music for the Ball will be provided by the Dick Wright Orchestra. Dick has a four-man group, the Modertones, to add a little spice to his smooth arrangements of popular dance music.

Dick Wright has nine men in his orchestra who can play a total of twenty instruments.

As a highlight of the Weekend, Miss Mary Celine Barry will be crowned Queen of Military Weekend, 1962, at the Formal Ball. Lt. Col. Michael C. Jacobs, Professor of Air Science at St. Michael's, will crown the Queen.

Her court will be composed of Miss Cara Sue Olsen, Miss Nancy Ann Webber, Miss Carole Semprini and Miss Elise Tynan.

To bring the Weekend to a fitting conclusion, The Very Reverend Gerald Dupont, S.S.E., President of St. Michael's College, will offer a Military Mass on Sunday morning at 11:30 A.M. in the College Chapel. All who attend the Weekend are also asked to attend this special Mass.

The weekend activities will come to a close immediately after the Mass, when coffee and doughnuts will be served in Alliot Hall. Wives of the Department of Air Science faculty members, assisted by the Queen and her court, will be the hostesses.

Miss Carole Semprini

Girls, many and pretty girls, the missing links in the liberal education we receive at St. Michael's, are the order of the day this weekend on campus.

They are guests of the ROTC cadets who are participating in the 12th Annual Military Weekend. We wish them a pleasant and enjoyable stay.

The cadet corps will see that ROTC can be fun once in a while. Freshmen will have the opportunity to wear out completely the \$8.00 "shoes" they had to buy during Freshman Week. Better wear them out completely for they won't fit you any other time.

Many and varied activities have been scheduled for everyone to enjoy. All those Michaelmen who are bringing out-of-town girls should remember that some problems arose when reservations were sought in some local motels. Incidents of past years have been responsible for this situation. No encores, please!

Military Weekend marks the first major social affair of the year. An incident-free weekend would ensure a change in attitude towards Michaelmen and would benefit immensely underclassmen in their years at St. Michael's.

* * * * *

Earlier in the year the Student Forum passed a resolution whereby the chains blocking the road between the two student parking lots were to be removed between 6 p.m. and 6 a.m. It was also decided that once the cold weather arrived they would be removed altogether.

The chains were put up when the outside basketball court was built to insure the safety of students using the court. This road is the only one interconnecting all points on campus without having to go on Route 15 to go from one end of campus to the other.

The idea of removing the chains, at least for the night, was welcomed by those using the Alliot Hall parking lot since Route 15 has been under improvements since the opening of the school year. However, the chains have very seldom been removed.

With the arrival of cold weather, students have abandoned the use of the outside basketball court for the warmer gym during the last few weeks. Still the chains are up and students have to use the road under construction.

We hope that the condition is rectified immediately; that whoever is responsible for putting them down, do it. Or is it that the Student Forum has no means of enforcing its decisions?

Down with our chains!!!

Deadline for all articles and reviews to be included in the Fall edition of the St. Michael's Scientific is Monday, Nov. 16. Articles should be handed in to Paul Harper or William Alter before midnight on that date. Remember, all candidates for Alpha Epsilon Delta must have at least the precis of their articles in by this date.

The Education Club will present Fr. Harold Ross as guest speaker Wednesday, Nov. 14, at 7:30 P.M. in Alliot Hall. Fr. Ross, vice-principal at Rice Memorial will speak on "Counseling."

FROM THE LILLY PAD

BY Bob Lilly

In an earlier edition, it was stated in this column that Father Hamel worked on the coaching staff here at SMC. Credit where credit is due - therefore, one cannot forget the work of Coach Ralph Linnehan of the early history of the school.

A quote from "St. Michael's Through the Years" states: "'Linnie', a veteran of the St. Michael's championship team of 1916 (should read 1915) ... is well versed in the fundamentals of the game." That's for football; the following for baseball: "Under coach Linnehan the high school baseball team is having wonderful success in all its games this season." That was 1921. Today Father Linnehan is Assistant Professor of Philosophy. It seems that the Philosophy staff of today led the athletes of yesterday.

* * * * *

Signs on doors department: walking around the corridors of the dorms on campus, one can see a variety of slogans, quotes, signs, etc., pasted on doors. One on the fourth floor of Alumni Hall states the esoteric philosophical observation that "More moose meat means less meeses" while a brave soul in Ryan advertises thus on his portal: "Club 404 - Irish Whiskey served Here." A new fraternity has begun in Founders Hall from signs seen over there: the Tappa Kegga Da is gaining popularity on the third and fourth floors.

* * * * *

Junior Rudy Stoekle would like to thank his friends in Lyons Hall who helped him in his hour of need. It seems that Rudy needed a haircut but for some reason couldn't scrape up the necessary funds. To help him out of this predicament Jack Dorsey made a collection on the first and second floors, collecting a penny a person. The next morning Rudy had a haircut plus eight cents in change.

* * * * *

Dear Abbot: Being an empty barrel I'd like to make the most noise. After that insulting remark made in the last edition of The MICHAELMAN concerning the members of the advanced Corps I figured that it was time to throw some insults at you. First of all, you have a dirty habit ... er, cassock. Besides that, your sandals have holes in them, your pen leaks, and your halo is on crooked. By the way, where did you buy your halo?

signed: The Lilly Pad

* * * * *

Drill Team members note: Some of the girls at Trinity read the last chapter to this column and went for the idea of an Angel Flight, as was evidenced at the Skit Show last week. Commander in Chief Patty Cook led the group consisting of Chris McCorry, Linda Lord and Micky McDonough. Unique movements such as Mill Around, Mill, and Fall Out, Fall, were shown to an eager audience.

At the same skit it was noted that Junior Class president Anne Wizel moves the lectern very well, among other things. And Mr. and Mrs. Vermont announced the theme for Junior Weekend, ably assisted by Paula Tambarinie and Blossom Regan.

The winner of this week's Junior Class Raffle - Bill Wegrzyn.

Dear Abbot

by Mike Battenfeld

Dear Abbot:

What's the Junior Officer Training School going to do for their morning training period, now that the snow is here? They won't be able to do push-ups, shout at the top of their lungs, or run around at 5:30 in the morning.

Relieved Sleeper

Dear Relieved:

Probably build snow-men, or some other typically constructive ROTC Activity.

D.A.

Dear Abbot:

At last Tuesday's war games, I received twenty demerits for not spit-shining the cleats on my engineer boots. Can you tell me what do do for next Tuesday?

Click-Clack

Dear Click:

Next Tuesday, why not paint your feet black and see what happens. If that doesn't work, you can follow the example of the Freshmen: pay eight dollars for "shoes", and go to Military Weekend.

D.A.

Dear Abbot:

As an Air "Science" I cadet, I would like to know how I can get some of those pretty medals, ribbons, and braids that all the cadet officers have.

Desirous

Dear Desirous:

You might try the local pawn shops ... or, check the Cracker Jack prizes more carefully.

D.A.

Dear Abbot:

Who designed our super-stylish ROTC uniforms?
Fashion Plate

Dear Plate:

Oleg Cassini . . . between Jackie's fittings.

D.A.

Dear Abbot:

How is the Queen for the Military Ball chosen?
Lover of Beauty

Dear Lover:

The Arnold Air Society informs me that they employ an old Chinese formula . . . choose one from column A, two from column B. The funny thing is that she's always pretty.

D.A.

Dear Abbot:

Is the cadet colonel a real colonel?

Rank conscious

Dear Rank:

No, but I understand that he's an eagle scout.

D.A.

Dear Abbot:

I read last week in The MICHAELMAN that the Drill Team used to have an auxiliary "Angel Flight" from Jeanne Mance. How come they don't have it any more?

Wondering

Dear Wondering:

They decided to get girls from Trinity, but THE TRIAD said they couldn't find drill shoes big enough.

D.A.

Dear Abbot:

How do they select the ROTC cadet officers every year?

Intrigued

Dear In:

That's a top military secret. The only thing that I can say is, don't walk by ROTC headquarters in April, unless you're a fast runner.

D.A.

Students Bleed 143 Pints

Pass the bandages please! One hundred and forty three were needed at St. Michael's annual blood drive held at Austin Hall, Sept. 29.

Though the final tally fell short of the goal by 37, it was considered a success owing to the proximity of exams. Sponsored by the St. Michael's College Pre-medical Society, the drive is held twice a year. George Reitwiesner was this drawing's chairman.

Something new was added this time. Due to an urgent need for

Type "O" positive, 12 pints were rushed to the Blood Center for fractionation (breaking the precious fluid into its component parts).

Interclass points are given to each class based upon the percentage of donations per total number of students. Mr. Stern, Administrator of the Chittenden County Chapter of American Red Cross, expressed appreciation for the assistance given by the students.

Russell Gervais Elected

Freshman Class President

After witnessing a week long, spirited campaign which brought three full "parties", acres of poster board and challenges of "Debate or drop out!" onto the campus political scene, the class of '66 went to the polls 68% strong last week and elected their officers and Student Forum representatives for the year.

Joseph Vacca, a candidate of the "True College Party", will also represent the class as an N.F.C.C.S. delegate.

The "Action Party", promising just that, made an almost clean sweep of the election by winning all four major offices, three of the five Student Forum seats and one of the three N.F.C.C.S. representative seats which were open to the class.

Heading the winning ticket was Russell Gervais of Northhampton, Mass. Winning the vice-presidential contest was Michael Liska, E. Hartford, Conn., and the victors of the races for the offices of Secretary and Treasurer were John Kadzik, Springfield, Mass., and Joseph Desbarres, Upton, Mass.

Other "Action Party" candidates elected were Jack Smith, Leo Shea and Michael Leehy as Student Forum representatives and James Donald, N.F.C.C.S. delegate.

Michael Romanko and Frank Stuart, both candidates of the "Liberal Party" captured two of

Juniors Begin

Magazine Drive

As previously announced in The MICHAELMAN the Junior Class is sponsoring a magazine drive to help raise money for Junior Weekend. The drive will commence on Monday, November 12th and will run for 10 days. All Juniors are asked to participate in this event for all the proceeds will be spent on Junior Weekend.

The Juniors will be divided into seven teams. Each team will have a captain who will process the orders and collect money from sales. The teams will be assigned a specified area to be covered in a house to house canvass. In order to achieve the goal it is important that each man sell only in the section assigned to him. Those participating in the drive will be asked to obtain six subscriptions. Valuable prizes will be awarded to the top three salesmen. Also, those who meet their quota will be eligible for a special prize.

The team captains for the magazine drive are: Lyons 1, N. Wing, John Meehan; Lyons 1, S. Wing, Jim Salmon; Lyons 2, N. Wing, Dick Handel; Lyons 2, S. Wing, Denny Marcoux; Lyons 3, Bruce Burkhardt; Joyce 4, N. Wing, Phil Cronin; Joyce 4, S. Wing, Tom Kane.

The full support of the Junior Class is needed to make this drive a success.

Make Tara an unforgettable weekend -- participate in the magazine drive!

Position Open For Junior In C&S

The Induction Committee of the Crown and Sword Society announces that a position in the Society is open to one member of the Junior Class. Those interested in applying should have at

FELLOWSHIP

The Trustees of the Horace Smith Fund in Springfield, Massachusetts, will make available, under the Walter S. Barr Donation, fellowships for the scholastic year 1963-64 in the total amount of \$5000 for advanced study of research.

These fellowships are limited to residents of Hampden County, Massachusetts, who have been or are about to be graduated from college.

As a rule the fellowship awards will be not less than \$1000 each.

Application forms will be sent on request by the Secretary, The Horace Smith Fund, Box 131, Springfield, Massachusetts. Applications to be considered must be received by the Secretary by January 3, 1963.

least a 75 percent cumulative average at the time of application, and must submit a petition of application to the Society. This application should consist of the following:

1. Your name, campus address, and telephone extension.
2. A brief, but inclusive, personal history (not an outline).
3. A brief paragraph on why you chose to attend St. Michael's.
4. A well ordered summary of your extra- and co-curricular activities, with an explanation of

ties.

5. A statement of your interest in the Society, and paragraph on what you, as an individual, could add to the Society.

The application must be in the form of a business letter, typewritten, double spaced, and signed by the applicant. All applications must be submitted to James DeBiasio, Joyce Hall 157, by Nov. 17.

A personal interview will be arranged by the Induction Committee with those individuals whose application merits it.

On Campus with Max Shulman

(Author of "I Was a Teen-age Dwarf", "The Many Loves of Dobie Gillis", etc.)

GLOOM AT THE TOP

Oh, sure, you've been busy, what with going to classes, doing your homework, catching night crawlers, getting married—but can't you pause for just a moment and give thought to that dear, dedicated, lonely man in the big white house on the hill? I refer, of course, to the Prexy.

(It is interesting to note here that college presidents are always called "Prexy." Similarly, trustees are called "Trixie." Associate professors are called "Axy-Pixy." Bursars are called "Foxy-Woxy." Students are called "Algae.")

But I digress. We were speaking of the Prexy, a personage at once august and pathetic. Why pathetic? Well sir, consider how Prexy spends his days. He is busy, busy, busy. He talks to deans, he talks to professors, he talks to trustees, he talks to alumni. In fact, he talks to everybody except the one group who could lift his heart and rally his spirits. I mean, of course, the appealingest, endearingest, winsomest group in the entire college—you, the students.

It is the Prexy's sad fate to be forever a stranger to your laughing, golden selves. He can only gaze wistfully out the window of his big white house on the hill and watch you at your games and sports and yearn with all his tormented heart to bask in your warmth. But how? It would hardly be fitting for Prexy to appear one day at the Union, clad in an old rowing blazer, and cry gaily, "Heigh-ho, chaps! Who's for sculling?"

No, friends, Prexy can't get to you. It is up to you to get to him. Call on him at home. Just drop in unannounced. He will naturally be a little shy at first, so you must put him at his ease. Shout, "Howdy-doody, sir! I have come to bring a little sunshine into your drear and blighted life!" Then yank his necktie out of his vest and scamper goatlike around him until he is laughing merrily along with you.

Then hand him a package and say, "A little gift for you, sir."

"For me?" he will say, lowering his lids. "You shouldn't have."

"Yes, I should," you will say, "because this package is a carton of Marlboro Cigarettes, and whenever I think of Marlboro, I think of you."

"Why, hey?" he will say curiously.

"Because Marlboros have taste, and so do you," you will reply.

"Aw, go on," he will say, blushing furiously.

"It's true," you will say. "Moreover, Marlboro has a filter, and so do you."

"In my swimming pool, you mean," he will say.

"Yes," you will say. "Moreover, Marlboro has a soft pack, and so do you."

"My limp leather brief case, you mean," he will say.

"Yes," you will say. "Moreover, the Marlboro box has a flip-top, and so do you."

"But I don't have a flip-top," he will say.

"But you will," you will say. "Just light a Marlboro, and taste that tasty taste, and you will surely flip your top."

Well sir, you will have many a good chuckle about that, you may be sure. Then you will say, "Goodbye, sir, I will return soon again to brighten your lorn and desperate life."

"Please do," he will say. "But next time, if you can possibly manage it, try not to come at four in the morning."

© 1962 Max Shulman

* * *

Prexy and undergrad, male and female, late and soon, fair weather and foul—all times and climes and conditions are right for Marlboro, the filter cigarette with the unfiltered taste.

Coffee hour in Alliot Hall immediately after

WHAT TO WEAR???

For those who have never been to a Military Weekend, and as a refresher for those who may have forgotten, here is a list of what is appropriate for the various functions of the weekend:

VARIETY SHOW: Dress is informal - Sports jacket and slacks for the men, skirts and blouse or sweater for the girls.

TWIST DANCE: Dress is also informal - sweaters and slacks (chinos) for the men, skirts, kilts, sweaters or blouses for the girls.

FORMAL BALL: For the cadets: Class "A" uniform, with white oxford shirt (no button-downs or tab collars) and black bow tie.

For their dates: Formal dresses, short or long.

MILITARY MASS: Cadets: Class "A" uniform.

TROPHY: Rev. Geoffrey I. Keating, Dean of Men, presents the Victorious Knight Trophy to Mike Smith, Junior Class President, as Jim Dyer, Student Forum Interclass Activities Chairman, looks on. (Michaelman photo by Larry Dugan)

Interclass Cup Found! Awarded To Juniors

by Jack Howe

Last Tuesday night at the meeting of the Student Forum, the president of the junior class, Mike Smith, accepted the Interclass Trophy on behalf of the Class of '64.

The Trophy is awarded to the class that accumulates the greatest number of points in interclass activities. Some of those events that are included in competition are: the blood drive, hockey, softball, writing, debating, football, track, etc.

In past years the award has not been presented because it was very late in the year before the final tabulations were known, making it impossible to award the trophy. This year a definite date will be established for determining the winner making presentation possible during the school year.

The interclass plaques on the walls of the Student Union will be

engraved with the name of the present junior class. At this time some of the plaques have not been brought up to date but a definite system has been formulated by the Student Forum for doing so.

In order for a class to retire the trophy it must win three years in succession, a feat which has yet to be accomplished.

Mr. D Elected President Of School Directors' Assn.

John D. Donoghue, Public Relations Director at St. Michael's College, is the new President of the Vermont State School Directors' Association.

Participation in the field of education is not a new thing to Mr. Donoghue. He has served on the South Burlington School Board for 10 years, and has been Chairman of this board four times.

This has proven to be a very responsible extra-curricular activity as the community is the fastest growing community in Vermont. The population has doubled in the last six years.

One of the projects completed while Mr. Donoghue served on the local board was the building of the largest Junior-Senior High School in the state.

Local School Boards are responsible for maintaining elementary schools and providing the children of their respective towns with a high school education. They are also charged with the duty of choosing text books and hiring teachers.

Mr. Donoghue was the First Vice President of the Vermont School Directors last year and has served on several committees and panels. Other officers included another SMC alumnus, Frank A. Mazza of Pittsford, Second Vice President.

One of the main problems to be encountered by the new slate will be an attempt to increase the amount of tax dollars which go into the state aid to education. Vermont currently contributes only 20 percent of its tax dollars to education as compared to a national average of 40 percent.

SMOKEY SOLID CARDIGAN. A new look in sweaters...subtle heather tones...achieved in the blending of 75% worsted wool, 25% kid mohair, in a number of colorings.

"I'll have one more, please.
No more for her."

STUDENT FORUM

by Bill Eagan

This week's meeting of the Student Forum was highlighted by two announcements, both of them concerned with student spirit.

The first was delivered by the President, Mr. Pat Bergin, and involved an incident at UVM last Saturday. The essence of the announcement was that the incident was provoked by a student of St. Michael's and that any reprisal would produce more harm than good.

The second announcement was in a lighter vein and involved the formation of a spirit squad. Mr. Mike Armstrong reported that this squad would be formed in order to marshal enthusiasm at the home basketball games. The squad would be able to give direction to the cheering and make it more effective.

An eight point program was introduced for the formation of the spirit squad. These points were: the use of a purple and gold basketball during warm-ups, construction of a shield for the team to pass through onto the court, purchase of a bass drum, playing of school songs before the game, a knight dressed in armor to be present at the games, distributing lyrics to songs and cheers, a member of each class on the spirit squad, and separate sections in the bleachers for each class. It is hoped that this spirit squad will be in operation before the first basketball game of the season.

BUSINESS MEETING

Again this week the Student Welfare Committee was given the greatest amount of work by the Forum. The motions referred to this committee were, as usual, diversified.

Mr. Norm Soucy moved to have the Student Welfare Committee look into the problem of the mud between Joyce and Ryan Halls. An allied motion, though not sent to the Student Welfare Committee, was introduced by Mr. Louis Rosato. This motion would allow the nurses of Jeanne Mance to hold a brownie sale in Alliot Hall on December 3.

Rearranging the mailboxes in the Post Office and having the lavatories cleaned on Sunday mornings were two motions introduced by Mr. Tim Moynihan and Mr. Bill Batewell respectively. Both were referred to the Student Welfare Committee.

Mr. Jim Dyer moved that the lectures on campus that are open to the general student body be recorded for future use. This would allow those that were unable to attend to derive the benefit of the lectures. This, for a change of pace, was assigned to the Lecture Series Committee and to WSSE.

The only other business of the meeting was an introduction of the newly elected Freshman Class Officers, by the former Honorary Class President Mr. Tim Moynihan. Mr. Moynihan was praised for his excellent job by Mr. Bergin.

There was also a presentation of the Inter-Class Trophy for last year, by Fr. Keating, to Mr. Mike Smith, President of the Junior Class.

LAST WEEK'S MEETING

Last week's meeting of the Forum was relatively short. There were only three pieces of business.

Mr. Brian Quinn introduced a motion to appropriate \$200 for goalie equipment for the upcoming hockey season. A committee was appointed to examine the possibility of purchasing a suit of armor for the spirit squad.

Mr. Bill O'Connell, the Sophomore Class President, introduced a motion to have the report of the Student Welfare Committee recalled, as regarded late lights. He followed his motion with a long, impassioned speech concerning the necessity of extended lights in the dorms. The motion was soundly defeated.

Letter To The Editor

Dear Editor:

I hope you may find space in the Michaelman to reproduce the following letter addressed to students by Deans Arnold W. Ravin and R.J. Kaufmann of the University of Rochester. It expresses my thoughts on the question, "What is a College Really For".

"What we would like to say to you is this. Any good university is a community of people working together. The particular work engaged in is Thought. This enterprise is a collective one, thus including all teachers and all students."

"It is directed against ignorance -- mine, yours, and "Theirs". By ignoring this central truth, many students miss the target, at least until too late, and then wonder why they were not told sooner 'what college was really for.' We feel obliged to answer this question before you feel obliged to ask it."

"Seriousness is not grimness nor is it humorless solemnity. There is no incompatibility between fun in every legitimate sense and dedication to learning."

"In fact, since the beginnings of Western history, serious study has been closely tied to physical sports, to the most intense friendships of one's life, and to manifold experimentation in self-expression. Yet, valuable and necessary as these things are, they can and do flourish readily elsewhere, while universities are uniquely designed and expensively maintained as social instruments which can sponsor rapid growth in systematic knowledge."

"Clearly also, a university is a good place to live while experiencing this deliberately induced growth. It is made up of people who are paid to reflect and to enquire. Here wisdom and knowledge are valued and searched after -- not feared and despised. Here one does not have to hide to study, or pretend indifference to what one cares for because it is unknown in the marketplace of standard social exchange."

"It is undeniably true that at the University many unearth their deeper intelligence for the first time and thus cease to be casual acquaintances of their own inner selves. Here people can learn to use themselves in depth. We mean to be a place where this happens to as many people as possible year after year."

Sincerely,
Paul Morin, S.S.E.
Dean

Lowell Tech Tops

Saints In Tearjerker

Riding high on the crest of a wave that had at its base a 2-1 victory over New England powerhouse Middlebury, the St. Michael's college soccer team lost a real heartbreaker, 2-1, to Lowell Tech on Saturday, Oct. 27.

The first score in the match came on a beautiful display of sharp passwork that even brought cheers from the Lowell bench. Jack Davidson, a standout so far this season, placed a precision pass at the very tip of John Higgins' toes, who in turn passed to Humberto Cosenza, who promptly booted the ball into the nets.

Cosenza, probably the greatest scoring threat on the team, played the entire game with an injured leg. He had received the injury earlier this year. This score by Cosenza came with 19:56 gone in the first quarter.

The second quarter saw a tremendous show of defensive ability on the part of both teams, highlighted by a blocked penalty kick by goalie Dick Endrelunas with only 2:45 left in the quarter.

A penalty kick is a free kick by the opposition at the goal from an approximate distance of twelve feet. Twelve feet can look terribly minute when you are a goalie and that ball is zooming in at you at speeds approaching sixty miles an hour. Right, Dick?

The third quarter was almost an exact repeat of the second, in that fine defense was displayed by Lowell Tech as well as St. Michael's. The Knights had many opportunities to score in this quarter; however, a superb defense wall put up by Lowell thwarted all attempts by our offense.

The Lowell Tech offense was noticeably frustrated, and justifiably so, when a series of shots at the goal were turned back by the excellent defensive work of

Nick Ravelo. Also aiding the defensive cause were Rog Anton, Norm Roy, and goalie Dick Endrelunas.

LOWELL RALLY

The fourth and fatal quarter saw Lowell Tech score twice. The first score came with 4:30 gone in the period on another penalty kick. Dick Endrelunas got his fingertips on the ball; however, as mentioned above, when the ball is traveling at speeds of 50 miles an hour or better, fingertips are hardly an adequate obstacle.

The second goal came with approximately four minutes and thirty-five seconds left in the game. This goal proved to be the insurance goal for Lowell, for St. Michael's was not to score again.

The services of Tony Jaremczuk are sorely missed. Tony scored our only goal in the Sir George Williams match. By the way, we lost that one, too - 3-1.

The loss to Lowell leveled the season record in the New England Intercollegiate Soccer League at 1-1.

The Knights of Columbus of St. Michael's College brought themselves back into their youth over Halloween as they spooked the streets of Burlington, along with boys from St. Joseph's Orphanage. The annual project of taking the boys Trick or Treating is but one of the many projects of the Knights.

A Christmas party for all the children at the orphanage will be coming up soon in December. The Knights ask that all students help provide the children with toys by gathering them up at home during Thanksgiving Vacation.

At a meeting this past Wednesday the Council was presented the Supreme Knight Award. The award was presented to Grand Knight Arthur Kohler by a special representative of Supreme Knight Luke E. Hart. It is an insurance award. To qualify for it, a council must have at least 75% of its new members insured.

Last week this council was notified by the college that it had been given clubrooms in St. Theresa, Apt. B. The Knights now are working on fixing the rooms which will supply the great need for office and entertaining space of the Council.

A scholarship program has been set up by Fr. John Verret Council and it is open to all its members. It is hoped that the first award will be made to a Knight this coming semester.

To help support this program the Council has set up a BLAST OFF DANCE. The dance will feature the Thunderbolts of Sunny Hollow fame. It will be held in Alliot Hall, Saturday Night Nov. 17, from 8 to 12. The dance will be open to everyone.

THE Michaelman's Mike

By Mike Tranghese

In the last column you were familiarized with the objective of this year's basketball team and the obstacles which they must overcome in order to obtain this objective. As students of St. Michael's we will be supporting the team, so let us get acquainted with the members of the team that we will be backing throughout the year.

WALTER BAUMANN

Wally is a 6'3", 190 pound senior from Secaucus, N.J. He is a two year veteran who last year was named twice to the weekly E.C.A.C. squad for his outstanding performances against Middlebury and Assumption.

FRED CERRATO

Freddy is a 5'11", 160 pound senior from Bloomfield N.J. He is a two year veteran who was the defensive specialist of the ball club. Over the past two years he has held such well known ballplayers as Vinny Ernst of Providence to five points and Roger Damphouse of Merrimack to eight points.

ROBERT HOEHL

Bobby, a 6'4", 205 pound senior from Teaneck, N.J., possesses a deadly jump shot. His finest performance was against the University of Vermont in which he threw in 22 points.

MARTIN KING

Marty is a 5'11", 170 pound junior from Jersey City, N.J. He was a member of the undefeated freshman team of 1959. That year Marty averaged eleven points per game along with ten assists per game.

RICHARD TARRANT

A 6'5", 185 pound sophomore from West Orange, N.J., Richie was ineligible last year when he was taking freshman courses.

EDWARD McDONNELL

Eddie is a 6'2", 170 pound junior from Elizabeth, N.J. He was St. Michael's valuable number six man last year, who came off the bench many times in crucial situations. His top performances last year were his 22 point effort against A.I.C. and his second half double figure surge against Assumption.

EDMUND KRYGER

Ed is a 6'4", 185 pound sophomore from Staten Island, N.Y. He was a member of last year's undefeated freshman team in which he led the team with a 14 per game rebound average and was second in scoring with an 18 point average.

WILLIAM CUMMINS

A 6', 160 pound sophomore from West Orange, N.J., Bill sparked in last year's come-from-behind victory over Dartmouth and came off the bench to hit five consecutive shots in leading the Squires to a victory over Vermont in the season's opener.

JOHN JACHYK

John is a 6'1", 170 pound junior from Westfield, Mass. He is a quick guard who will bolster a strong bench that will be counted on throughout the year.

RICHARD KEELTY

A senior, Dick is 5'11", 150 pounds, from Jersey City N.J. He is a speedy guard who has served as a valuable substitute over the past two years.

BRIAN QUINN

Brian is a 6'1", 185 pound sophomore from Cambria Hts., N.Y. He was a member of last year's freshman team in which he averaged 10 points a ball game. Brian is a hustler who helped spark the Frosh of '61 to an undefeated season.

DANIEL CONNELLY

"Ginnick" is a 5'9", 155 pound sophomore from Schenectady, N.Y. Danny is the smallest member of the team but he makes up for it with his deadly eye. He is a great dribbler. An example of this was seen when he dribbled out the final two minutes of the game against Dartmouth frosh, last year.

GEORGE JACOBS

"Doc" has been head coach here at the hilltop since 1947. During this time he has tutored four of his teams to Evansville, where he holds the second best winning percentage with a record of nine wins and four losses.

EDWARD MARKEY

Ed is the assistant coach, along with being mentor of the freshman team. He has compiled one of the greatest records over the last seven years with a 64-8 won-lost record, and he is currently riding an eleven game winning streak along with winning 41 of his last 45 games.

This is the St. Michael's college basketball team and it is yours. The success of this team will depend on you, for we as the students must support this team in order that they may reach their goal. So, Michaelmen, let us rise to the occasion and support this year's team in a manner that has never been witnessed here at the hilltop. The team with our support and their desire to win will form a team that we all can be proud of. Therefore, let us go forward and not act as the Cats from Vermont do, for they act as a blind man in a dark room in search of a victory over St. Mike's and it just is not there.

Saints Top Norwich, Windham; Lose To Powerful Castleton

by Chick Smith

St. Michael's College soccer men came from behind Monday afternoon to defeat Norwich 3-2 at the Winooski field in a New England Intercollegiate Soccer League match.

The Knights scored their tying and winning goals in the last six minutes of play. Humberto Cosenza scored both goals, assisted each time by Anton Jaremzuk.

Norwich was the first to score when at 12:55 of the first period they were credited with an automatic goal. One of the defensive booters from St. Michael's kicked the ball into the nets as he was trying to push the ball into goalie Richard Endrelunas' hands.

The Cadets, inspired by this first goal, made the score 2-0 when Bernard Carpenter scored two minutes later. Carpenter was assisted by Charles Geib.

The Knights scored their first goal at 4:57 of the second period. John Higgins made the match 2-1 with an assist from John Davidson.

During the second half the Knights dominated throughout. Several fine saves by Norwich goalie Joel Kobert prevented any scores during the third period and 15 minutes of the last period.

With time running out and the Knights still trailing 2-1, Humberto Cosenza evened the match at 15:42 of the last period. He was assisted by Anton Jaremzuk. With 1:16 left in the match, Jaremzuk again passed to Cosenza, who headed the ball into the nets.

FINE DEFENSE

Norwich goalie Kobert was credited with 15 saves while Richard Endrelunas had 8, of which only 2 were in the second half.

The victory put the Knights' season record at 5-4 and their league record at 2-1. They upset Middlebury while losing to Lowell Tech in their first year of League competition.

St. Michael's finished State play with a record of 4-1, posting victories over Middlebury, Lyndon, Windham and Norwich. The only State loss was handed by Castleton.

Norwich finished its season with 3 victories and 7 defeats.

The Knights will travel to Connecticut to meet Hartford University, Saturday, in the last season and league match.

OPEN MONDAYS

A determined and spirited St. Michael's college soccer team bounced back from a defeat at the hands of Lowell Tech and defeated Windham by a score of 3-0. Going into the game, the Windham unit was looking to make St. Michael's their seventh straight victim, but "Doc" Citarella's boys had something to say about it.

The Purple Knights drew first blood after 12 minutes when speedy Nicolas Ravelo scored and then the defense took over. Led by captain Bud Donald, they contained Windham and dominated the play.

The Knights increased their lead in the second period when Juan Tamayo scored on a penalty kick. With the Purple leading 2-0 at the half, the two teams proceeded to play a scoreless third period and there were but 30 seconds left to the game when Jack Davidson assisted by John Higgins registered the final tally to give St. Michael's a well deserved victory.

The victory was sweet for "Doc" Citarella, who had suffered through the heartbreaking loss to Lowell Tech. Windham during its six game winning streak had made Lowell Tech one of its victims.

Dick Endrelunas came up with 15 saves to record his second shutout of the season. Dick has

been a lifesaver all year long, as he has demonstrated with coolness when the pressure was the greatest.

Once again the defense shone as Bob Tobin, Norm Roy, and Bud Donald sparkled as they handcuffed any ideas Windham may have had of scoring.

Saint Michael's dream of their first state soccer championship came to an abrupt end as the Purple Knights were defeated by a strong Castleton team there, Nov. 2, by a score of 3-0.

Even though the Knights trailed throughout the game, never once did they lose the hustle and determination which they have exhibited during the year.

Actually, the game was a lot closer than the score indicates. The Castleton team notched their three goals within a three minute span of the second period. St. Michael's was never able to overcome this deficit even though they played on even terms with Castleton for the remainder of the game.

Except for that brief period of disaster, the defense shone once again as they time and time again thwarted any ideas Castleton may have had of extending their lead. With this victory Castleton established themselves as state champions for the year.
